FIG. 26 A

FIG. 26 B

10056312.012402

A hand-drawn schematic diagram of a mechanical assembly. The diagram shows a base structure with several components labeled with numbers and letters. On the left, a rectangular block is labeled 10B. Below it, a component is labeled 10B8. A curved line, possibly representing a cable or hose, is labeled 10. A large, irregular shape, possibly a cushion or a large component, is labeled 11. A horizontal line is labeled 6. In the center, there is a component labeled 68, with arrows pointing to it labeled 67 and 65. Below this, a component is labeled 66, with an arrow pointing to it labeled 65. To the right, another component is labeled 68, with an arrow pointing to it labeled 67 and 65. The diagram is a technical sketch, likely for a patent application or a technical manual.
